COORDINATION
Thirty-fourth session (Part II)
29 August-16 September 1994
Agenda item 8

ADOPTION OF THE REPORT OF THE COMMITTEE ON THE SECOND PART OF ITS THIRTY-FOURTH SESSION

Draft report

Addendum

Rapporteur: Tae Hyun YOO (Republic of Korea)

PROPOSED REVISIONS TO THE MEDIUM-TERM PLAN FOR THE PERIOD 1992-1997

Programme 17. Science and technology for development

1. At its 15th meeting, on 31 August 1994, the Committee considered the revisions to programme 17, Science and technology for development, of the medium-term plan for the period 1992-1997 (A/49/6 (Prog. 17)).

Discussion

2. Some delegations were concerned that the activities envisaged under subprogramme 3 (Investment and technology) would duplicate those in programme 23 (Transnational corporations) and therefore considered that subprogramme 3 might be removed.

Conclusions and recommendations

3. The Committee recommended approval of the proposed revisions to programme 17 on the understanding that the revisions will be considered by the

relevant Main Committees of the General Assembly during its 49th session, and that the recommendations of the relevant sectoral intergovernmental bodies will be made available to the General Assembly for this purpose.
